

CHARTERED
COLLEGE OF
TEACHING

Victoria Carr MCCT

Teacher

Member #2362

Join free of
charge as a
Student Teacher

**“I joined to be part
of a network of
teachers across the
country sharing
practice and research”**

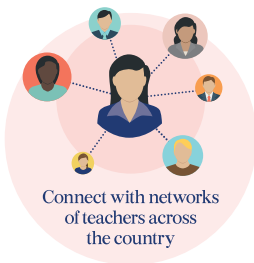

Join us at: chartered.college

The Chartered College of Teaching is the professional body for teachers across all phases and settings. Bringing teaching in line with other professions, we provide access to the latest research and evidence, professional development pathways, networks of expertise, examples of practice and a voice that champions excellence in teaching. Join today to be a part of *your* Chartered College - and to move your profession forward.

Join free of charge as a Student Teacher

Student Teachers also receive:

- Termly student-specific research summary and newsletter
- Free entry to our October 'new to teaching' conference
- Stand out in job applications as a member
