

End of Cycle 2017 Data Resources

DR4_017_01 Acceptances by provider, subject group and domicile

UCAS

Statistic: Number of Acceptances

Variables: Provider Name, Subject Group (Summary Level), Applicant Domicile (UK / EU / Not EU), Cycle Year

Coverage: All

Definitions

Applicant Domicile (UK / EU / Not EU)

Applicant's area of permanent residence summarised at a high level. This variable is derived from domicile as declared by the applicant and does not guarantee fee status. Split by the following values: 'UK', 'EU (excluding UK)' and 'Not EU'. Please note: The Channel Islands and the Isle of Man have been assigned as 'Not EU'.

Provider Name

The Higher Education Provider (HEP) at the time of the application. This does not take into account any mergers or rebrands, for example if HEP A and HEP B merged to become HEP A in 2012, all applications and acceptances will be reported as HEP A from 2012 onwards. Prior to 2012 all applications and acceptances will be reported as HEP A or HEP B as appropriate.

Context notes:

University of East London (E28): In the 2017 cycle a large number of RPAs were not recorded for the University of East London (E28). The actual values for the total number of placed applicants and the number admitted through RPA for this provider will be 862 higher than those reported.

***Further context notes provided by individual providers marked with an asterisk are available to view on www.ucas.com.**

Subject Group (Summary Level)

Classifies courses into a summary level of 26 subjects. Each course is assigned up to three valid JACS3 subject codes (e.g. G100 – Mathematics) and a course balance indicator by UCAS, which are available for review by the provider. The course is assigned a subject based on these JACS3 subject codes and balance indicator, it largely correlates to the first two characters of the subject codes. Where there are more than one JACS3 subject codes for a given course, and the balance indicator is dual or triple, the first two characters of each subject code are reported in combination to a relevant category (e.g. Course with dual balance indicator with JACS3 subject codes B940 = Counselling and C843 = Counselling psychology is assigned a subject 'Y Combined sciences'). Please note: Between 2007 and 2011 the subject codes assigned to each course were from the JACS2.0 classification, therefore JACS3 versions of the subject categories have been approximated for 2007 to 2011 to allow a consistent time series.

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
