

End of Cycle 2017 Data Resources

DR4_012_02 Main scheme acceptances by provider and ethnic group

UCAS

Statistic: Number of Acceptances

Variables: Provider Name, Ethnic Group (Summary Level), Cycle Year

Coverage: Accepted through the main scheme and UK domiciled

Definitions

Ethnic Group (Summary Level)

High level grouping of ethnic origin as declared by the applicant: 'Asian', 'Black', 'Mixed', 'White', 'Other', 'Unknown'. Please note: Ethnic origin is captured for UK domiciled applicants only, therefore all non UK domiciled applicants are assigned as 'Not Applicable'.

Provider Name

The Higher Education Provider (HEP) at the time of the application. This does not take into account any mergers or rebrands, for example if HEP A and HEP B merged to become HEP A in 2012, all applications and acceptances will be reported as HEP A from 2012 onwards. Prior to 2012 all applications and acceptances will be reported as HEP A or HEP B as appropriate.

Context notes:

University of East London (E28): In the 2017 cycle a large number of RPAs were not recorded for the University of East London (E28). The actual values for the total number of placed applicants and the number admitted through RPA for this provider will be 862 higher than those reported.

***Further context notes provided by individual providers marked with an asterisk are available to view on www.ucas.com.**

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
