Definitions

Age (7 Levels)
Derived from date of birth declared by the applicant, age is aligned with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used. Age then is grouped in the following bands: '21 and under', '22', '23', '24', '25-29', '30-39', '40 and over'.

Cycle Year
The application year in which the application was processed.

Acceptances
An acceptance is defined as an applicant who has been accepted to start a programme through the UCAS Teacher Training scheme.
