

# UCAS Teacher Training End of Cycle 2017 Data Resources

## UTT3\_007\_01 Acceptances by provider and age and sex

**Statistic:** Acceptances

**Variables:** Provider Name, Age (7 Levels), Sex, Cycle Year

**Coverage:** All

### Definitions

#### Provider Name

The UCAS Teacher Training provider at the time of the application. This does not take into account any mergers or rebrands, for example if Provider A and Provider B merged to become Provider A in 2016, all applications and acceptances will be reported as Provider A from 2016 onwards. Prior to 2016 all applications and acceptances will be reported as Provider A or Provider B as appropriate.

#### Age (7 Levels)

Derived from date of birth declared by the applicant, age is aligned with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used. Age then is grouped in the following bands: '21 and under', '22', '23', '24', '25-29', '30-39', '40 and over'.

#### Sex

Sex as declared by the applicant.

#### Cycle Year

The application year in which the application was processed.

#### Acceptances

An acceptance is defined as an applicant who has been accepted to start a programme through the UCAS Teacher Training scheme.
