DOs and DON'Ts for personal statements

DOs

- Do show that you know your strengths and can outline your ideas clearly.
- Do be enthusiastic – if you show you're interested in the course, it may help you get a place.
- Do expect to produce several drafts of your personal statement before being totally happy with it.
- Do ask people you trust for their feedback.

DON'Ts

- Don't exaggerate – if you do you may get caught out in an interview when asked to elaborate on an interesting achievement.
- Don't rely on a spellchecker as it will not pick up everything – proofread as many times as possible.
- Don't leave it to the last minute – your statement will seem rushed and important information could be left out.
- Don't let spelling and grammatical errors spoil your statement.

REMEMBER you can write up to 4,000 characters of text to show why you'd make a great student.
