A

Accidents and near misses

Please report any accidents or near misses to the event organiser, who can be found at the organiser's office/help desk at the front of the hall.

A 'near miss' is an incident that doesn't result in personal injury but is purely down to luck – next time, the person involved might not be so lucky. Research has shown there is a clear link between near misses and accidents. Reporting of near misses or unsafe conditions can help to prevent accidents occurring, as well as helping to promote a safer working environment, not just for employees, but for anyone who visits the site. Data compiled from near misses and accident reports can help to highlight trends and hazards not previously identified.

Arrivals

When you arrive, please head to the entrance of The Royal Cornwall Exhibition Halls and have your ticket ready for inspection. If you don't have a ticket, please report to the registration desk inside the entrance.

Your exhibition ticket is personal to you and should not be passed on to other group members, as this would compromise the security of your data. To comply with data protection regulations, it's essential individuals at our exhibitions use their own ticket – both on entering, and when visiting exhibitors' stands. Anyone found to be in breach of this will be asked to leave the event and register again to gain readmittance.

C

Cars

There is free parking available on-site. Please follow the direction of the traffic marshals, and enter the site through the main entrance, where they'll direct you to the designated car park.

Cash machines

There are no cash machines available on-site. Please bring cash for refreshments as card payment may not be possible.

Catering

There will be refreshments available for all visitors along the left-hand wall of the exhibition hall. There will be a variety of items available, as well as a seating area for all to use.

Coaches

If you're travelling by coach, please enter the site through the main entrance, and traffic marshals will direct you to the coach drop-off and pick-up area. Please make sure your students know what time and where to meet you for their return journey. Due to the expected number of visitors, please don't arrive any earlier than 15 minutes before your booked session time.

D
