## Welcome

Dear visitor,

Welcome to UCAS' higher education exhibition. Today is your chance to start broadening your horizons and thinking about what's next.

We all have different interests, motivations, strengths, and ways we prefer to learn, that will influence our future pathway. Friends, family, and teachers will most likely have an input but, ultimately, the choice on what to do next has to be your decision.

The first step is to do your research, and today is a great starting point – make sure you make the most of it!

Don't forget, there is a wide range of options available after school or college, so consider them all:

- > university or college
- > apprenticeships
- > gap years
- > internships
- > volunteering

With our exhibitors, and UCAS experts on hand to help, today's the day to get answers to any questions you may have.

Have fun!

All set to start exploring  
your options?

To help you get the most out of your visit today,  
here are a few reminders...

-  **Be prepared** – make the best use of your time and plan to visit the stands which are of most interest to you.
-  **Study the seminar programme** and arrive five minutes before the start.
-  **Get all the information** about the universities and courses you're interested in – take information home to study at a later date.
-  **Ask questions**, lots of questions! The exhibitors are here to help you, make the most of them.
-  Most importantly, **have fun!** There's a lot going on throughout the day, so get involved!

# DOS AND DON'TS FOR PERSONAL STATEMENTS

UCAS

## DOs

- > **Do** show you know your strengths and can outline your ideas clearly.
- > **Do** be enthusiastic – if you show you're interested in the course, it may help you get a place.
- > **Do** expect to produce several drafts of your personal statement before being totally happy with it.
- > **Do** ask people you trust for their feedback.

## DON'Ts

- > **Don't** exaggerate – if you do, you may get caught out in an interview when asked to elaborate on an interesting achievement.
- > **Don't** rely on a spellchecker, as it will not pick up everything – proofread your statement as many times as possible.
- > **Don't** leave it to the last minute – your statement will seem rushed, and important information could be left out.
- > **Don't** let spelling or grammatical errors spoil your statement.

## Remember

You can write up to 4,000 characters of text to show why you'd make a great student.
