

New apprenticeship resources to use in class

National Apprenticeship Week is a great time to educate students on all the pathways available to them. We've launched a new apprenticeships area for advisers to access editable presentations, a video for students to see how to find and apply for apprenticeships, and the first in our series of application guides per industry.

Students can try before they apply

Students exploring their options through UCAS will be able to virtually experience university and the world of work thanks to a new strategic partnership with careers platform Springpod. From March the new agreement will enable those with an account on the [UCAS Hub](#) to explore, interact with and sample university subjects, courses and work experience online for the first time before they apply.
