GETTING HERE

GETTING HERE

The University is located in Lincoln city centre, accessed via the A1 with intersections at (the South) A46 Newark and (the North) A57 Retford. AA road signs will be displayed around the city once you are in proximity, to direct you to the exhibition venue.

You can view a variety of maps online at www.lincoln.ac.uk/maps.

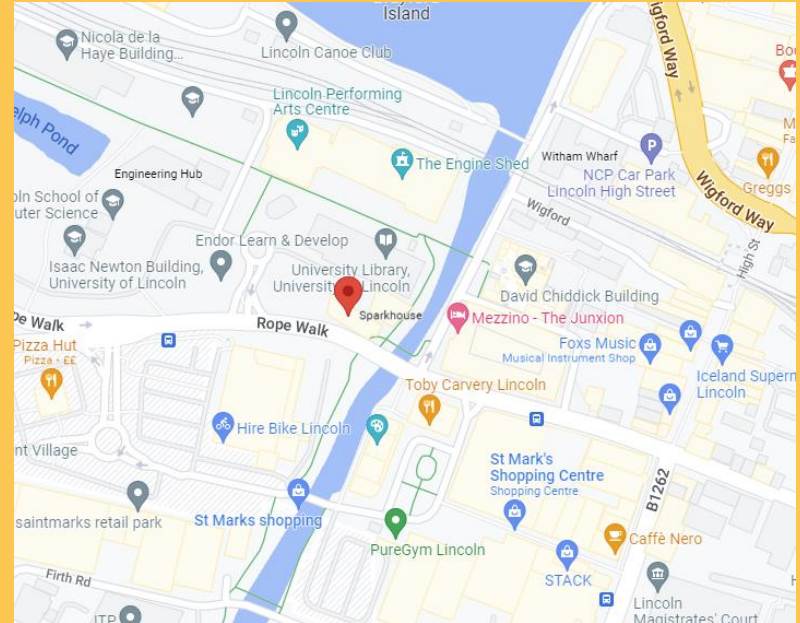

TRAVELLING BY CAR OR COACH?

Before the event, you will be sent coach access passes, and a site map of where to drop-off and collect.

If you have not received this, please contact the University of Lincoln Events Team on events@lincoln.ac.uk.

If your coach is significantly early, you may be invited to attend additional activities or tours until your allocated arrival time.

Please note, there is no coach parking on site – please ensure your coach company is aware of this.

WHEN YOU ARRIVE

 On arrival, please head to the **main entrance located outside of the Engine Shed**. Please have your ticket ready for inspection. If you don't have a ticket on arrival, please report to the registration desk **directly outside of the venue**.

 Your exhibition ticket is personal to you and should not be passed on to other group members, as this could compromise the security of your data. To comply with data protection regulations, it's essential that individuals at our exhibitions use their own ticket – both on entering, and when visiting exhibitors' stands. Anyone found to be in breach of this will be asked to leave the event and register again to be readmitted.

 Please be aware, the venue may be conducting random bag and wand searches. We thank you for your patience while this takes place.
