

End of Cycle 2016 Data Resources

DR3_003_07 Acceptances by deferred and domicile

UCAS

Statistic: Number of Acceptances

Variables: Deferred Status , Applicant Domicile (High Level) , Acceptance Route , Cycle Year

Coverage: UK domiciled

Definitions

Acceptance Route

The acceptance route through which the applicant was placed. Please refer to definitions page for full description.

Applicant Domicile (High Level)

Applicant's area of permanent residence summarised at a high level, individual UK country, EU and not EU. This variable is derived from domicile as declared by the applicant and does not guarantee fee status. The Channel Islands and the Isle of Man are assigned as 'Not EU'. See the additional technical notes at www.ucas.com for coverage and trends for Scotland.

Deferred Status

Indicates if an application is deferred. Most applications are into the academic year that starts immediately at the end of the cycle, for example into the academic 2013-14 year from the 2013 application cycle. Applications can also be deferred for entry into the following academic year, for example into the 2014-15 academic from the 2013 cycle. These are called deferred applications.

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
