

End of Cycle 2016 Data Resources

DR4_015_02 Main scheme acceptances by provider and SQA

UCAS

Statistic: Number of Acceptances

Variables: Provider Name , Holds SQA Qualification , Cycle Year

Coverage: Accepted through the main scheme and UK domiciled

Definitions

Provider Name

The Higher Education Provider (HEP) at the time of the application. This does not take into account any mergers or rebrands, for example if HEP A and HEP B merged to become HEP A in 2012, all applications and acceptances will be reported as HEP A from 2012 onwards. Prior to 2012 all applications and acceptances will be reported as HEP A or HEP B as appropriate.

Holds SQA Qualification

Indicates if an applicant has achieved an SQA higher or advanced higher qualification (at least one) as identified either on application or through awarding body linkage process. Please note: This flag is not updated beyond the end of the application cycle for each applicant. (I.e. if an applicant applied in the 2008 cycle without achieving an SQA, but went on to obtain this qualification in 2009, the value for the applicant applying in 2008 would remain 'SQA qualification not identified'.)

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
