GETTING HERE

Travelling by public transport?

Manchester has direct rail connections to most major UK cities. Services arrive at Piccadilly or Victoria stations, where passengers can connect with Metrolink trams for easy access to the city centre.

Manchester Central is a 20-minute walk from Piccadilly station, or just five minutes by taxi. Alternatively, catch a connection train to Oxford Road Station, which is five minutes from Manchester Central on foot.

Further information on train services can be found at www.nationalrail.co.uk.

Where can I park my car?

Manchester Central has a 24-hour NCP car park located directly below the building, holding 720 cars, including 18 disabled bays. The maximum height of this car park is 1.98m. The postcode for navigation is M2 3GX.

Please note: The venue has made us aware of a series of break-ins in this carpark, so extra care should be taken if using this carpark. Take any possessions with you and leave nothing in sight. There are several alternative carparks in the vicinity of the venue.

More information can be found on the Manchester Central [website](#).

GETTING HERE

Travelling by coach or minibus?

Manchester is at the heart of a comprehensive motorway network. Manchester's M60 orbital motorway provides easy access from north, south, east and west.

- If using a satellite navigation systems - please follow the postcode M2 3GX. For further directions please click [here](#).

Please follow the directions of the traffic marshals on arrival. If you're travelling by coach, there is a designated drop-off and pick-up area located to the rear of Manchester Central. This is accessed via the ramp on Albion Street. Traffic marshals will direct your coach driver and tell you when to disembark. You will be given a number for your coach – please make a note of it for when you're collected. Please note, there is **no on-site coach parking on-site at Manchester central**. If arriving by minibus, please speak to the traffic team once you arrive on-site with regards to parking.

Coaches must pick-up within 30 minutes of the end of your timeslot; you will not be able to be picked up from the designated point after this time. When you are ready to leave the exhibition, please ensure all your students are together and proceed along the walkway, back to the coach pick-up point. The traffic marshals will ensure your coach is ready, using the number you were given when you arrived. Due to a large number of coaches and the small space available, **it is essential to follow the traffic marshals' instructions at all times.**

Further information will be emailed to you 1 week prior to the event, including a coach pass; please ensure this is displayed. For information regarding coach parking, please see the [Manchester City Council website](#).

When you arrive

 On arrival, please head to the main entrance of Manchester Central. Please have your ticket ready to scan into the event. Everyone will need to have pre-registered and have downloaded their ticket before they enter the venue. If you have issues with a cracked phone screen, please bring a printed copy of your ticket to be scanned.

 Your exhibition ticket is personal to you and should not be passed on to other group members, as this could compromise the security of your data. To comply with data protection regulations, it's essential that individuals at our exhibitions use their own ticket – both on entering, and when visiting exhibitors' stands. Anyone found to be in breach of this will be asked to leave the event and register again to be readmitted.

 Please be aware, the venue will be conducting random bag and wand searches. We thank you for your patience while this takes place.
