Build-up

Build-up times:

Monday 2nd June 16:00 – 18:00

Tuesday 3rd June 08:00 – 09:00

For large vehicles, please proceed to the rear of the venue and use the fire exits along the left-hand side of the venue to load (left side as if you were looking from the rear of the venue). For cars and other small vehicles, where possible, please park your vehicle in the car park and bring your goods by foot via the front of the venue.

There will be no access to the loading bays 30 minutes prior to the start of the exhibition each day, the doors will remain closed outside of the build-up and breakdown times. No access will be given, and no exceptions will be made. All vehicles must be removed. No trolleys will be permitted in the hall once the event has opened to visitors; after this time, all goods will need to be carried by hand.

Access is limited, and if it becomes too busy, you may be asked by traffic marshals to wait before you can unload. As soon as you have unloaded, please relocate and park your vehicle in the car park.

If you think you might need extra time to build your stand (outside the build-up times stated above), please contact organiser Holly Foster, at h.foster@ucas.ac.uk. In some circumstances, early access to the venue on the build-up day may be given, but this is only with the advance permission of the organiser. If advance permission has not been granted, exhibitors will be turned away from the venue until the exhibitor build-up session starts (16:00 on Monday 2nd June).

Breakdown

Breakdown time: 15:00 – 16:00 on Tuesday 3rd June.

Exhibitors should remain on their stands, and refrain from dismantling, until the exhibition closes and is cleared of all visitors on Tuesday 4th June, at which time an announcement will confirm when it is safe to start dismantling stands.

To help facilitate this, and ensure health and safety is maintained, the loading bay doors will not open, and vehicles will not be permitted to the entrance of the doors, until the venue is clear of visitors – we expect this to be by 15:10. If exhibitors start to dismantle stands while the event is still open, there will be no alternative but to close the exhibition, no matter how many visitors are still in the venue.

If you have a courier arriving to collect goods, please do not ask them to arrive any earlier than 15:15, or they may be turned away.

When leaving the venue, please remove any waste – this includes literature not in a box, and not being collected by your courier – e.g., spare prospectuses. **Removal of any excess waste will be charged for.**

After 16:00 on Tuesday 3rd June, UCAS contractors will have access to dismantle the event. If exhibitors are still breaking down their stands, they must wear a high-vis vest. If you do not have a high-vis, please ask a member of the UCAS team, who may be able to provide you one.

Deliveries

Please see build up and breakdown section in addition to the following information. Any delivery to stands on the event open days must be completed, and vehicles removed from loading areas no later than 30 minutes before the event open time (09:30); the venue will not allow the event to open if vehicles are blocking fire exit routes.

If you are expecting goods to be delivered by courier, please ensure they are aware of the dates of the show and hall opening times. Deliveries made before 08:00 on Monday 2nd June will not be accepted as UCAS tenancy with Kent Event Centre does not begin until this time.
