

# End of Cycle 2017 Data Resources

## DR3\_020\_01 Acceptances by subject group, age and sex

UCAS

**Statistic:** Number of Acceptances

**Variables:** Subject Group (Summary Level), Age Band, Sex, Cycle Year

**Coverage:** All

### Definitions

#### Age Band

Derived from date of birth declared by the applicant, age is aligned with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used. Age then is grouped in the following bands: '17 and under', '18', '19', '20', '21 and Over'. Please note: if the derived age is outside of the range 11-100 then it is set to 18 by default.

#### Sex

Sex as declared by the applicant.

#### Subject Group (Summary Level)

Classifies courses into a summary level of 26 subjects. Each course is assigned up to three valid JACS3 subject codes (e.g. G100 – Mathematics) and a course balance indicator by UCAS, which are available for review by the provider. The course is assigned a subject based on these JACS3 subject codes and balance indicator, it largely correlates to the first two characters of the subject codes. Where there are more than one JACS3 subject codes for a given course, and the balance indicator is dual or triple, the first two characters of each subject code are reported in combination to a relevant category (e.g. Course with dual balance indicator with JACS3 subject codes B940 = Counselling and C843 = Counselling psychology is assigned a subject 'Y Combined sciences'). Please note: Between 2007 and 2011 the subject codes assigned to each course were from the JACS2.0 classification, therefore JACS3 versions of the subject categories have been approximated for 2007 to 2011 to allow a consistent time series.

#### Cycle Year

The cycle in which the application was processed.

#### Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
