

Survey data services:

Our objective

Develop and maintain a learner survey programme which creates enhanced datasets, supports new and extended products, and enables the voice of students to be heard by the sector.

Survey data services

Extended survey programme

Collection of more insight

New products and services to support the sector

We now learn about...

Learner
satisfaction
with, and
experience of
UCAS

Decision making:
Short-listing five
application choices

Decision
making:
Choosing firm
& insurance
options

Lifestyle:
Banking
Accommodation
Technology
Entertainment & media
Retail
Travel & transport

Students
early
experiences
of uni

What
else?
