D.6.24 Applications by applicant domicile and subject group : Not EU

Selected subject groups, 2015 cycle

D.6.25 Technical notes and definitions

Applicants have been able to submit applications for all 2015 courses since early September.

In 2015, around 125 courses relating to teacher training that historically would only have been available through UCAS Teacher Training, and therefore not previously counted in the scope of this statistical release, were brought into the undergraduate UCAS scheme. These courses are all offered by providers based in Scotland and are in the JACS3 detailed subject reporting grouping of 'X1'. The large majority of applications to these courses are from applicants living in Scotland.

To help comparisons through time, additional tables are available on the UCAS website that exclude any applications made by applicants to subject group 'X1' at Scottish providers. These tables provide a better 'like for like' comparison particularly when considering Scottish domiciled applicants and Scottish providers.

Counts of the number of applicants reported have been rounded to the nearest 10 applicants, this may result in instances where totals do not equal the sum of the components. Proportional changes have been rounded to the nearest whole percentage point.

Age

This statistical release uses country-specific age definitions which align with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used.

Applicant

A person who has made an application in the UCAS system during the cycle reported, this includes those who submit applications for deferred entry.

Application

An application to a course at an institution made by an applicant. Applicants may make up to five applications.

Country of institution

The UK country of the institution applied to.

Domicile

Declared area of permanent residence. The Channel Islands and the Isle of Man have been assigned as 'Not EU'.

First time applicant

An applicant that did not apply to the UCAS scheme in the previous cycle.

Reapplicant

An applicant that applied to the UCAS scheme in the previous cycle.

Subject group

The JACS3 classification used to classify courses into subject groups.

Tariff group of institution

Institutions are grouped as higher, medium or lower tariff based on their average levels of attainment of their accepted applicants (summarised through UCAS Tariff points) in recent cycles. Each group of institutions accounted for around a third of all UK 18 year old acceptances in recent cycles.
